WARRANT FOR TOWN MEETING

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Fremont Town Hall in said Fremont on Tuesday, the sixth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the report of the Budget Committee, and to take such action as the Town deems necessary.
4. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be deposited in the Waste Disposal Capital Reserve Fund.
5. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for budgeted expenditures of the Fremont School District for the following capital and debt service accounts incurred for "priority expenditures" since January, 1972.

Purpose: New Building Construction (1972)	\$15,000.00
Partial Interest on Indebtedness,	
Note Issue of 1972	<u>6,000.00</u>
	\$21,000.00

6. To see if the Town will vote to build an addition on the present Fire Station, this addition to be constructed at the rear of the existing building and to consist of two additional truck bays, and further to see if the Town will vote to raise and appropriate the sum of \$5,500.00 to start construction of said addition, with the stipulation that before construction is commenced, satisfactory arrangements shall be made to lease or take deed to the land to be occupied by the structure, and that proposed construction shall meet all stipulations required by the Fremont Planning Board.

7. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set off against the budget appropriation in the amount of \$5,500.00 for the purpose of beginning construction of a fire station addition.

8. To see if the Town will vote to authorize the Selectmen to sell Albert Akeley property acquired by Tax Collector's deed to its former owner, Albert Akeley, through his attorney, Maurice Gordon, for a price representing balance of taxes due plus all costs and interest to date of transaction.

9. To see if the Town will vote to authorize the Selectmen to sell at private sale or public auction property acquired by Tax Collector's deed.

10. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

11. To see what action the Town will take by ballot on the following question: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated relative to playing games of Beano be adopted in this Town?"

12. To see if the Town will vote to direct the Selectmen to have one additional street light installed at the intersection of South Road and Scribner Road as requested by petition.

13. To see if the Town will vote to take deeded title to the paved section of a certain street named Rowe Drive located in the Poplin Acre Development from Charles K. and Louise M. Rowe, the present owners, all according to Article 9, Town Warrant for March Meeting, 1966, and action taken at that meeting.

14. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and 73.

Charles M. Healey
George H. Bassett
Selectmen of Fremont

A true copy of Warrant—Attest:

Charles M. Healey
Selectman of Fremont

MINUTES OF TOWN MEETING, MARCH 7, 1972

At the legal meeting of the inhabitants of the Town of Fremont in the County of Rockingham in said State of New Hampshire, qualified to vote in Town Affairs, held on the seventh day of March 1972, at the Town Hall, the following business was transacted:

Moderator Louis J. Balestra declared the meeting open at ten o'clock a.m. and proceeded to read the Town Warrant.

Mr. Clarence Philbrick made a motion that the polls would remain open until 7 o'clock p.m. Mr. Roscoe Holmes seconded the motion. The motion carried by voice vote.

Mr. William S. Butler presented the motion: "I move that, whereas the number of names appearing upon the Democratic and Republican ballots in the primary election this date is so great as to require an

unusually inordinate period of time for their proper accounting and recording; and, whereas the polls will not close and the counting of ballots will not begin until 7:00 o'clock p.m. this date, the town meeting for the purpose of voting upon Articles 2 through 17 be postponed until Wednesday, 8 March 1972 at 8:00 o'clock p.m. Mr. Peterson seconded the motion, and was carried by voice vote.

The polls closed at 7:00 o'clock p.m., ballots counted, the results read as follows:

Town Clerk	Mary K. Vetter	380
Deputy Town Clerk	Meredith Bolduc	391
Selectman, 3 years	William S. Butler	143
	Charles M. Healey	315
Treasurer	Ruth M. Doucette	404
Tax Collector	Laurence A. Pettengill	420
Road Agent	Joseph G. Bolduc, Sr.	401
Auditor	Herman Ostendorf	381
Chief of Police	Lester F. Blackwell	129
	Joseph G. Bolduc	342
Trustee-Trust Funds		
3 years	Earl F. Turner	405
Trustee-Library		
3 years	Lucy G. Schramm	402

Question No. 1: "Do you approve of having two sessions for the annual town meeting in this town, the first session for choice of Town Officers elected by an official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the selectmen, for transaction of other business?"

Yes 319 No 71

Question No. 2: "Shall the provisions of Chapter 287 of RSA relative to playing games of Beano be adopted in this city or town?"

Yes 321 No 55

School District of Fremont voting results:

Moderator	Timothy T. Louis	390
Clerk	Barbara Baker	399
Member School Board		
3 years	Frank Gregory	239
	Joan Young	185
Treasurer	Elizabeth J. Stanley	406
Auditor	Herman Ostendorf	400

MINUTES OF THE TOWN MEETING, MARCH 8, 1972

The postponed Town Meeting was called to order at 8 o'clock p.m. by Moderator Louis J. Balestra. All elected Town Officials and School Officials were duly sworn into office.

Mr. Balestra proceeded to read the Town Warrant.

Articles 1, 8 and 16 had been voted on by ballot.

Article 2: To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. A motion was made and duly seconded that this article be considered after article 15. The motion passed by a voice vote.

Article 3: To hear the report of the Budget Committee and to take such action as the Town deems necessary. A motion was made and duly seconded that the Budget be read by column. Motion passed by voice vote. Mr. Ralph Hackley presented the budget by column. A motion was made and duly seconded to accept the budget as read. The motion passed by voice vote.

Article 4: To see if the Town will vote to raise and appropriate the sum of \$1000.00 for the continuation of the Memorial Park. Mr. Butler presented the following amendment: "I move that we amend the motion by adding the word: But, that no expenditure of this or other sums set aside for the Memorial Park be made until the boundaries of the tract of land upon which the park is to be situated be resolved by land survey to the satisfaction of the Selectmen and of each of the abutters and, until the survey together with appropriate modifications to existing deeds be registered with the Register of Deeds for Rockingham County." Mr. Bonis rose to ask Mr. Butler to amend his amendment to exclude Little League Field. Mr. Butler then requested that this article be passed over at this time, to be returned to later.

Article 5: To see if the Town will vote to authorize the Selectmen to sell at Public Auction, property acquired by Tax Collectors Deed. Mr. Boden made a motion to amend the article by adding, "and to give Public Notice of same by advertising the time and place of such auction in a local paper two weeks beforehand, and advertise also, by posting notice at the Town Hall, Post Office and one other Public place. The motion was made and duly seconded to accept the article with amendment. Passed by voice vote.

Article 6: To see if the Town will vote to raise and appropriate the sum of \$2000.00 to be deposited to the Waste Disposal Capital Reserve Fund. A motion was made and duly seconded to accept the article as read. Passed by voice vote.

RETURN TO ARTICLE 4: Mr. Butler withdrew his first amendment, and presented the following: I move that the motion be amended by

adding the words: But that no expenditure of this or other sums set aside for the Memorial Park, except for work now in progress upon that portion under development as a Little League Field, be made until the boundaries of the tract of land upon which the park is to be situated be resolved by mutual agreement as to the locations of said boundaries to the satisfaction of the Selectmen and of each of the abutters and until appropriate modifications to existing deeds be registered with the Register of Deeds for Rockingham County." A motion was made and duly seconded to accept the article with amendment. Passed by voice vote.

Article 7: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. A motion was made and duly seconded to accept the article as read. Passed by voice vote.

Article 9: To see if the Town will vote to raise and appropriate the sum of \$2.00 to acquire all the rights, title and interest in and to the concrete dam situated across the Exeter River in the Town of Brentwood, County of Rockingham, State of New Hampshire, immediately down river from the residential development known as "Duston Shores" and the water rights connected therein. A motion was made and duly seconded to reject this offer. The article was lost on a voice vote.

Article 10: On petition of Dwight L. Killam and ten (10) others: "To see whether the Town will vote to direct the Selectmen to convey to Dwight L. Killam and Dorothy D. P. Killam the same parcel of real estate taken from them by eminent domain proceedings in 1971, and remove therefrom the so-called Town Shed." Mr. Young made a motion to lay this article on the table for 99 years, the motion was duly seconded, but lost by a voice vote. Mr. Boden made the motion to accept the article as read. The motion was duly seconded, and a paper ballot was called for. One hundred forty ballots were cast. The results as follows: Thirty nine in favor of the article, one hundred-one opposed. The article was lost.

Article 11: To see if the Town will vote to raise and appropriate an additional sum of \$450.00 for the acquisition of the Killam property taken by eminent domain in September 1971. A motion was made and duly seconded to amend the article by changing the \$450.00 to \$700.00. The article with amendment passed by voice vote.

Article 12: To see if the Town will vote to raise and appropriate the sum of \$200.00 to install lights on the Town Hall flag pole and the traffic officer spot in front of the Town Hall. A motion was made and duly seconded to accept the article as read. Passed by voice vote.

Article 13: To see what action the Town will take to instruct the Selectmen to cancel the Town's membership in the New Hampshire Municipal Association. A motion was made and duly seconded to re-

consider the article. The article was lost by a voice vote.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$50.00 for the painting of the Hearse House. A motion was made and duly seconded to accept the article as read. Passed by voice vote. Mr. Fred Gobron volunteered his labor to do the painting. His offer was accepted.

Article 15: To see what action the Town will take to dispose of the Old Town Shed and the land situated thereunder. After suggestions and discussion, a motion was made and duly seconded that the Selectmen sell the building at Public Auction. The motion passed by voice vote.

RETURN: Article 2: A motion was made and duly seconded that the article be accepted. Passed by voice vote.

Article 17: To transact any other business which may legally come before this meeting. A motion was made and duly seconded to increase the budget figure by \$300.00, total to be \$46,087.51. Passed by voice vote. The subject of Surplus Food was discussed. The Selectmen sighted cases of finding the food in the dump, on several occasions. Where denial of assistance had been made, the denied persons had become gainfully employed and proceeded to take their own responsibilities.

A motion was made and duly seconded to adjourn. Passed by voice vote. Meeting adjourned at 11:50 o'clock p.m.

NOTE: Due to the lengthy tasks that face the election officials on this election day, it is suggested that a motion be presented to the Moderator to postpone the Town Meeting for the purpose of voting on the remaining articles, to Friday, March 19, 1972 at 8 o'clock p.m., rather than the evening of March 7, 1972.

Given under our hands and seal, this second day of February, in the year of our Lord nineteen hundred and seventy two.

REPORT OF THE CHIEF OF POLICE

As Chief of Police for the Town of Fremont, State of New Hampshire, I would like to respectfully submit the following report for the year of 1972.

We were called out to find a man reported lost and with the help of the Fire Department, he was found.

Numerous calls have been made to me by telephone and each one was answered and help given to the best of my ability.

No serious accidents were reported and each of these was investigated and reported to Concord, New Hampshire.

Several breaks occurred and were investigated, but none of the perpetrators have been apprehended.

My Deputies have served honestly and well whenever called upon for help, including their attendance at the Dances and the Beano games held at the Town Hall.

Respectfully submitted,

Joseph G. Bolduc, Sr.
Chief of Police

REPORT OF THE FIRE CHIEF

I would like to thank all the Firemen and anyone else who helped out on the fires we had while I was sick in 1972.

We had only one bad fire in 1972, Mrs. Barr's house. It was a total loss.

The Firemen went to Raymond and helped with the fire at the Tannery.

We went to Brentwood a few times, on stand-by.

The Fire Department wants to thank Paul's T.V. for installing two antennas at no charge.

We want to thank the different ones who have kept the Fire House plowed out. We also wish to thank the ones who have done the hard shoveling.

I would like to thank the Association for all the help they have given the town in buying things for the Fire Department.

In 1972 we were called out about 21 times, not counting going to the dump to check smoke, etc.

We went to Brentwood 5 times.

We went to Raymond 2 times.

We had 3 false alarms.

The rest were in town.

In 1972 we got a 6 x 6 Troop Carrier from the Civil Defense. This truck did not cost us anything. Our only obligation is to keep the truck in running order. We did not expect to get the truck as quickly as we did. We bought a 900 gallon tank and put it on the truck, 500 feet of 1½" hose, 200 feet of booster hose, 6 back pumps and a portable pump. The Association paid for half the cost for the material and the Fire Department paid the other half. This is the reason we ran over on our budget as it shows in the Town Report. We have used the truck on some fires and it works fine. It will be a great help. However, right now it is in cold storage since we don't have any place to keep the truck where it is warm. The truck is in back of the Town Hall in the Town Shed. We would like to build on at the back of the present Fire Station and keep the truck down there. This would enable us to keep the truck where it is warm and not in cold storage.

Respectfully submitted,

Clarence Philbrick
Chief of Fire Department

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire. Remember it can be an extremely

useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	101 fires	112
TOWN	2	Spot fires

Clarence Philbrick
Forest Fire Warden

Ralph Stevens
District Chief

BUILDING INSPECTOR

This past year, the building inspector of the town of Fremont has issued the following permits:

Apartment Buildings	2
Single Residences	6
Alterations, Additions	
Auxiliary Buildings	24

In addition, a number of violations of the Fremont ordinances have been investigated. In each of these instances, either the non-conforming conditions have been corrected or the violations have been reported to the selectmen for appropriate legal action.

Many of the violations resulted from a lack of information regarding code requirements. The townspeople should be reminded that building, remodeling, alterations, additions, new buildings, including erection of accessory buildings and moving buildings, all require permits. Earth moving operations require permits also.

If any information is required, copies of the building code may be obtained from the building inspector or any member of the board of selectmen.

Please advise those contemplating these projects to secure proper permits before starting work in order to avoid expense, embarrassment and penalties for violations that frequently result from starting work without regard to the code or permit requirements.

Lester F. Blackwell
Building Inspector

HEALTH OFFICER

During the past year the Health Officer has investigated and referred numerous complaints and suspected health hazards to the state health department for appropriate action.

In addition, investigation of facilities has been made in two requests for child care centers and/or nursery school facilities.

Eleven applications for new septic systems have been received and approved for construction. Nine systems have been built and inspected as required by state law.

Lester F. Blackwell
Health Inspector

SCHOOL WARRANT STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Fremont, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the sixth day of March 1973, at ten o'clock in the forenoon, to act upon the following subjects: The polls may not close before five thirty o'clock in the afternoon.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose Auditors for the ensuing year.
6. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

Fremont School Board

Robert P. Louis
Ruth F. Anderson
Frank S. Gregory

SCHOOL WARRANT STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Fremont, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the twelfth day of March 1973, at eight o'clock in the evening, to act upon the following subjects:

I To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

II To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

III To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

IV To see if the district will authorize the school board to transfer any unencumbered balance from the 1972-73 school district appropriations into the building fund.

V On petition of ten legal voters (and more) to see if the Fremont School District will vote to discontinue the transportation of High School students.

VI To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

Fremont School Board

**SCHOOL DISTRICT MEETING
Fremont, New Hampshire
March 6, 1972**

The meeting opened at 7:30 with the reading of the Warrant by Moderator, Timothy Louis.

Article I: To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

The Moderator called for a report of the School Study Committee.

Mr. Robert Louis rose and read the motion that was passed last year. To have the Moderator appoint a five-man committee to act as a School Building Committee. This Committee will be designed to study the costs of school construction, develop plans for school construction and report their findings to the Fremont citizens at the March 1972 School Meeting for their consideration.

REPORT OF THE SCHOOL BUILDING COMMITTEE

To:

Townspeople of Fremont, New Hampshire

Fremont School Board

The School District Superintendent

Purpose:

This Committee was designed to:

1. Study the cost of school construction.
2. Develop plans for school construction.
3. Report their findings to the citizens of Fremont at the March 6, 1972 School District Meeting for their consideration.

General:

In the report of the Study Committee of 1969, it was stated by the committee that two or three architects should be contacted for new construction proposals. This was done — four architects being interviewed — their suggestions and proposals considered. The Committee then engaged Dennis and Tambling of Portsmouth, N.H. to prepare preliminary drawings and cost estimates.

The portable classrooms, such as Pinkerton Academy and Epping have, were ruled out by the committee as not being in keeping with a permanent building program.

The steel school construction at Deerfield was visited. The report shows that this construction is cold, that maintenance costs will be high, and adequate insulation is doubtful. There has not been enough

experience with this type of construction to prove its adequacy.

Prestressed slab construction as is being used in East Kingston and Manchester was not recommended by 3 of the 4 architects interviewed.

After much preliminary discussion by the committee it was agreed that they should instruct the architects to proceed with preliminary plans for 4 classrooms and a multipurpose room and the necessary facilities for heating, sewage, storage, toilet facilities, and administrative space.

COSTS:

4 classrooms and multipurpose room (105 x 60)

Building and Site Construction	275,000.00
Architect's Fee	22,000.00
Classroom Equipment	<u>5,000.00</u>
Total Cost	302,000.00
Less — Capital Reserve Fund	<u>— 23,798.00</u>
Bonds or Notes	278,202.00

CONSIDER

15 Years — 7th & 8th Grades at Sanborn

Tuition	744,480.00
(7% increase based on last 5 years)	521,000.00
Transportation	45,000.00
(30% increased based on last 5 years)	<u>13,500.00</u>
Total	1,323,980.00

Cost of New Building & Operation

Bonds or Notes and Interest	375,000.00
4 Teachers — plus increases for 15 years	602,000.00
Operation — 15 years	<u>208,000.00</u>
	1,245,000.00

NET DIFFERENCE IN COST

Renew Sanborn Contract	1,323,980.00
Cost of New Building and Operation	<u>1,245,000.00</u>
	78,980.00

The architects report that their estimates show that this area of 12,000 square feet can be built for \$25.00 per square foot. It will be constructed as planned of cement blocks, faced with brick and pitched roof, as shown in the architects' rendering.

The cost to Fremont taxpayer for the new building addition will be approximately \$1.62 per \$1,000 of valuation.

Fremont will meet State Minimum Standards for Elementary School, grades one through eight.

It will do away with double sessions for 7th and 8th grade. Bus now leaves 10:45 a.m. and returns at 7:15 p.m. for the 7th and 8th grades.

Fremont will provide for future classroom expansion.

It will build equity in school plant instead of tuition payments.

It will provide for physical education needs for the youth of the community.

It will provide space for gatherings of 350 people as an auditorium.

It was not the purpose of this committee to recommend, rather for the School Committee and the Budget Committee to present the figures in the Budget to the Townspeople for their consideration.

As chairman of this committee, I wish to express my gratitude and thanks for their cooperation. This committee and it's advisor consisted of Richard Stanley, Meredith Bolduc, Ruth Anderson, and George Bassett, Jr.

Respectfully submitted,

Robert P. Louis, Chairman

Article II: To see if the District will raise and appropriate a sum not to exceed \$302,000.00 for the purpose of constructing a four-room and an all-purpose room addition and making necessary alterations in connection with this addition; and to authorize the School Board to execute any and all contracts including the selection of an architect or agreements necessary, proper and advisable in connection with the construction and equipping of this addition to the Ellis School. And in order to provide such funds to authorize the School Board to issue and sell notes or bonds for all or any part of the sum so appropriated in the name of and on the credit of the district under and in accordance with the provisions of the Municipal Finance Act and any amendments relating thereto; and to delegate the school board the authority to fix the time and place of payment of the principal amount of each note or bond, and to sell the notes or bonds, and to take such other action with respect thereto as may be necessary or advisable.

Mr. Robert Louis made the motion that the Fremont School District raise and appropriate the sum of \$302,000.00 for the renovation and enlargement of Ellis School, for the construction of new school facilities and for the original equipping and furnishing of such enlarged or new facility, and that to raise this appropriation the School Board is authorized to borrow the sum of \$278,202.00 under the Municipal Finance Act, that the School Board is authorized to take all action necessary to carry out this project, including obtaining any federal or state aid, withdrawal of the Capital Reserve Fund, and that in addition to the foregoing appropriation, any income from temporary investment of bond or note proceeds shall be applied to the project.

Seconded by Ruth Anderson.

Thereafter followed lengthy discussion with the answers and explanations being supplied by Mr. Louis. Present rate of interest for bond, if applied for this date, would be 4½%. Naturally, this could go higher or lower depending on when we took out the loan. Fremont would pay \$29,000 per year on the bond and interest. Mr. Louis assured those present that this would not change. A total of \$99,999 interest is what we'd pay in 15 years. When asked why not take the loan for a period of ten years, Mr. Louis replied that this would raise the tax rate and the interest payments would be higher. First payment on bond would be July 1973.

At this point a picture of Ellis School with the new addition, as supplied by the architects, was shown to those present and the plans were explained in detail. Gym equipment is provided for in the bond issue. The Science program for the 7th and 8th grades was described, and the taxpayers were assured that we could afford a science teacher who could stimulate the childrens' interest. We can meet the basic minimum standards as set by the state for elementary schools, grades 1-8, but we must seek to improve these standards. In the past our students took a higher percentage of scholarships than Newton or Kingston and they all graduated from the 8th grade in Fremont, not at Sanborn.

To the question of whether our 7th and 8th graders will get as good an education here as at Sanborn, Mr. Louis had several replies. The only subjects now at Sanborn which we would not have are Home Economics and Shop. Total time spent on these subjects now is 80 minutes per week. We would have two new teachers next year, a half-time principal, and we must have physical education. We would also have a part-time music and art teacher, and part-time librarian as required in grades 1-8 with under 300 pupils.

Mr. Frank Gregory asked if the state minimum is what we want for our children. Mr. Louis believes we can give them a better program than

they now get at Sanborn. The program proposed was used on 220,000 students over the country quite successfully. The main thing is these students would not be on double sessions.

As appropriated in budget, 2nd and 3rd year teachers are what we can afford. Fremont also received \$16,000 in foundation aid and \$3,000 from the Sweepstakes, the sum of which was not included in the proposed appropriation. Also brought out in this discussion was the fact that the minimum salary for Fremont teachers was \$5700. The average salary of the Fremont teachers was \$7950 while the state average was \$8200.

Mr. Robert Waddell seriously questioned the authenticity of the figures on the report, and Ruth Anderson rebuked this statement by praising the work of the committee, its seriousness of purpose, the long hours put into the report, the trips to Concord to corroborate figures and the striving of the committee to see that the figures were as true as could possibly be stated at the present time based on past experiences of the school system and the market trends of the present day.

The motion was on the floor, was seconded, and the Moderator asked if everyone was ready to vote. They were. Voting started by secret ballot, using the checklist, at 9 p.m. Polls remained opened until 11 p.m. when the votes were counted — For — 156; Against — 48. No blanks. Total vote 204. The motion is passed by the required two-thirds.

Article III: To see if the District will vote to authorize the School Board to renegotiate another five-year tuition contract for grades seven and eight with the Sanborn Regional School Board.

Mr. James O'Connell made the motion that the District authorize the School Board to negotiate another five-year tuition contract for grades 7 and 8 with the Sanborn Regional School Board, this contract to cover school years 1972-73, 1973-74, 1974-75, 1975-76, and 1976-77.

The question was asked if we had a contract with Sanborn for the 7th and 8th grades for the coming year.

Mr. Balestra submitted an amendment to the above motion to see if the District can renegotiate a year tuition contract for grade 8 with the Sanborn Regional School Board.

The Moderator noted that the previous motion had not been acted upon, whereas Mr. O'Connell rose to withdraw his previous motion and stated he would like to amend his motion to read a one-year tuition contract for grade 8 with the Sanborn Regional School Board for the school year 1972-73.

The motion as amended was seconded by Mrs. Ruth Anderson.

The motion is carried.

Article IV: To chose Agents and Committees in relation to any subject embraced in this warrant.

Ruth Anderson moved that this article be accepted as read.

The motion is seconded by Robert Louis.

The motion is carried.

Article V: To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

Ruth Anderson stated, "Since the salaries of the School Board, Truant Officer, and other officers of the district are contained in Article VI, I move this article be accepted as read.

Seconded by Robert Louis.

The Motion is carried.

Article VI: To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

Mr. James O'Connell moved that the sum of \$542,481 be raised and appropriated for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

Motion is seconded by Ruth Anderson.

The motion is carried.

Article VII: To see if the district will authorize the school board to transfer any unencumbered balance from the 1971-72 school district appropriations into the Capital Reserve Fund.

Mr. Louis moved that the district authorize the School Board to transfer any unencumbered balance from the 1971-72 school district appropriations into the Capital Reserve Fund.

Seconded by Ruth Anderson.

The motion is carried.

Article VIII: To transact any other business which may legally come before the meeting.

Mr. Laurence Pettingill rose and stated that he thought it was no more than right that the Town of Fremont should express to James O'Connell their thanks for the contributions of time, effort, and work he has made to the town during his seven years on the School Board.

Mr. Louis Balestra seconded the motion, and applause for Mr. O'Connell was heard throughout the hall.

Mr. Robert Louis rose and expressed his thanks to his committee for all their efforts.

Mr. Theron Young made the motion to adjourn.

The motion is seconded, and the meeting adjourned at 11:30 p.m.

Elizabeth J. Stanley
District Treasurer

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Fremont of which the above is a true summary for the fiscal year ending June 30, 1972, and find them correct in all respects; with the following exception as noted below.

Exception: Reconciliation of the Treasurer's Bank Statements indicates an overdrawn status at June 30, 1972 of \$7.91. This condition results from the fact that a bank charge of \$7.00 in June, 72 was not entered in the school records until July, 72; and an error of \$.91 has been carried forward from the previous year.

Auditors,

FREMONT SCHOOL CALENDAR 1973-1974

Memorial Day Recess - May 27

SUPERINTENDENT'S REPORT

Whereas our newly elected governor has pledged to change many of the existing educational laws in New Hampshire, especially those affecting local school autonomy, it becomes essential that all citizens of the Fremont School District understand more fully the overall management and control of their schools.

Basic to local educational control in New Hampshire is the legal responsibility of the school boards — a responsibility and authority far greater than delegated to their counterparts in many other states in this country.

The following should clearly illustrate this face. By state law:

1. The school board must provide standard schools for a least 180 days to "give to all pupils within the district as nearly equal advantages as are practicable." A standard school is one with:

- a. a suitable and sanitary building;
- b. furniture, books, maps and other necessary appliances;
- c. a staff composed of certified teachers, directed and supervised by principal and superintendent; and
- d. suitable provision for the care of the health and physical welfare of all pupils.

2. Transportation shall be provided all pupils below the ninth grade who live two miles or more from school. Pupils entitled to transportation may be required to walk one mile to a bus stop or one and one-half miles to a stop approved by the state. Transportation may be furnished to pupils above grade eight and any others living less than two miles from school when this is found desirable.

3. The school board employs teachers for the district and may dismiss any teacher found to be immoral or incompetent, except that no teacher may be dismissed prior to the end of the contract year without being notified of the cause and being granted a hearing. The school board may fail to reelect a teacher for another school year providing notice of this is given to the teacher in writing prior to March 15. A teacher who has taught in the district for three or more years must be granted a hearing if one is requested and the subsequent decision of the board is subject to review by the state board.

4. The school board may, unless otherwise provided by statute or state board regulations, prescribe all rules for the management and organization of the schools within the district.

5. Other responsibilities of the school board include the following:

- a. purchase of textbooks, supplies and insurance
- b. appointment of truant officers

- c. the taking of a school census
- d. making repairs to buildings
- e. accepting federal funds, and
- f. nominating a superintendent of schools

6. The school board shall see that the studies prescribed by the state board are thoroughly taught. Specifically mentioned in the statute are "physiology and hygiene in so far as it relates to the effect of alcohol and narcotics on the human system" and the teaching of courses "in all public and private schools in the state. . .the constitutions of the United States and of this state and also in the Declaration of Independence."

7. A school district shall establish programs for handicapped children. If the district does not provide a suitable program it must pay tuition to one operated by another district or a private organization. The district of residence is liable for the state average tuition payment for pupils educated in other schools. Suitable transportation is to be provided for handicapped children. The liability for transportation is an amount equal to the state average tuition charge per pupil. A handicapped child is one whose physical, intellectual or emotional problems make him unable to profit from the regular school program.

8. A school board may provide health services, appoint a school physician, a school nurse, a dental hygienist, and other school health aides. Each child must have a medical examination prior to or upon first entry into the public school system. All school personnel must have a physical examination prior to employment. Periodic medical exams may be required following employment. School boards must develop written policies relative to emergency care for students and school personnel injured or becoming ill during school hours or scheduled activities.

In addition to the above legal powers and responsibilities, the State Board of Education has conferred the following regulations upon the local school boards:

- 1. The determination of salaries and terms of employment for all teachers and other employees.
- 2. The preparation of a budget for local school expenditures and the keeping of school accounts.
- 3. The determination, upon recommendation of the superintendent and in accordance with the regulations of the State Board, of the subjects of instruction and the school time to be devoted to each subject.
- 4. The holding of a school board meeting at least once every two months.
- 5. The nomination of a superintendent of schools for employment

by the State Board of Education.

6. The exercise of all powers and the performance of all duties vested in and imposed upon the school board which are not committed to the superintendent or expressly delegated to him."

While the above duties and responsibilities were being formulated it became apparent to the lawmakers of the state that it was impractical to expect part-time school board members who, for the most part were untrained in educational management, to continue to operate, efficiently, their public schools. Therefore, the position of Superintendent of Schools was created in the year 1850. It took another 70 some odd years for the state to officially define his duties.

Since 1919 those duties have been officially, as well as unofficially, up-dated many times.

Today the Superintendent of Schools must:

"Serve as the executive head of the public schools. He shall be responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. The position shall develop and maintain a system of public schools, capably staffed to provide quality education and supportive services. The Superintendent shall provide, develop and implement the procedures to achieve educational objectives within his administrative unit.

In performance of those duties, he shall be directly responsible to the State Board of Education through its commissioner, and the Board or Boards of the Supervisory Union.

The Superintendent may be supported by one or more assistants such as assistant superintendents, business administrators and teacher consultants. He shall delegate such of his duties as is necessary and desirable for the efficient completion of the requirements of the position.

1. The Superintendent shall nominate all professional central office personnel.

2. The Superintendent shall direct and supervise the work of all employees of the district and shall have all powers necessary to make such direction effective. While the Superintendent has ultimate responsibility, he may delegate powers and duties to other personnel.

3. He shall nominate all certificated staff and appoint other employees in accordance with the laws, regulations of the State Board of Education, and school board policies.

4. He shall be responsible for the selection and purchase of textbooks and all other scholastic apparatus and supplies in accordance with the regulations of the school board and the State Board and see that the same are suitably distributed to the school, accurately accounted for and economically used.

5. He shall be responsible for developing and recommending to the school board the annual budget for the support of the educational program and for the operation and maintenance of schools in accordance with School Board policy.

6. He shall be responsible for an accounting system and financial reporting procedure in order that all funds will be accounted for in accordance with local school board policy, and local and state law.

7. He shall be responsible for the development of an educational plan for the district or districts and for recommending a program of studies suitable to the needs of the pupils and the community in accordance with local school board policies, state statutes and State Board regulations.

8. The Superintendent may, for cause, remove a teacher or other employee of the District in accordance with state statutes.

9. He shall recommend the dismissal of certified staff to the Board, recognizing its authority to dismiss according to the statutes.

10. He shall provide for temporary vacancies and shall have the authority to secure supplies immediately needed for the operation of the schools.

11. He shall be responsible for maintaining records and making reports as required by the State Board of Education and the local school boards.

12. He shall admit pupils to school attendance in accordance with the laws of the state and the regulations of the State Board and policies of the local board. He shall assign them to such classes and grades as he finds their needs warrant.

13. He shall provide for the alleviation of hazardous conditions of an emergency nature that affect the health and welfare of pupils.

14. He shall be responsible for the evaluation of personnel and programs in accordance with local school board policies.

15. He shall be responsible, after notice, for the implementation of the policies and regulations of the State Board of Education. He is expected to participate in the development and evaluation of said policies and regulations as requested by the Commissioner of Education."

Respectfully submitted,

Francis C. Wilson
Superintendent of Schools
